Board Management Software.

Want better board member engagement?
See how Boardable can help.

Schedule a Demo

boardable.com/schedule-a-demo/

EMPOWER your board with the right tools so you can focus on leading, not just managing.

Boardable has quickly become a touchstone for our board and executive leadership to share, track and archive key information and meeting collateral. High marks and an unequivocal recommendation from us.

Jonathan Zeichner, Executive Director
A Place Called Home

6219 Guilford Ave Indianapolis, IN 46220 | boardable.com

Boardable helps nonprofits better engage with their board members and committees, enabling them to have a greater impact in their communities.
