

BOARDABLE BRINGS YOUR BOARD'S EXPERTISE AND YOUR PASSION TOGETHER.**VIDEO MEETINGS**

Whether you're meeting remotely, in-person, or a combination of the two, Boardable Spotlight Meetings with Video gives your organization the tools needed to have a more focused and engaged meeting experience.

**AGENDA BUILDER**

The agenda builder empowers administrators with templates for quick agenda building and provides board members with dynamic PDFs delivered via email and agenda landing pages with private annotation.

**MEETING CENTER**

Automating your meeting scheduling does more than save time. It frees your board from distraction, allowing everyone to focus on governance, strategy, and other areas vital to your mission.

**DOCUMENT CENTER**

Brings all the files your board needs to one place. You get the simplicity of organizing and distributing documents without digging up email attachments. Your board gets the ease of collaborating on documents anytime, anywhere.

**E-SIGNATURES**

Speed up the document signing and approval process. Legally sign documents without the hassle of traditional paper signatures. Upload a document, request a signature, and view the status of document signatures all in one place.

**TASK MANAGER**

Task Manager increases your board's productivity and accountability. Create, assign and manage action items during and in between meetings. Quickly check the status of completed and uncompleted tasks in one central location.

**REPORTING**

Utilize data to gain insight into your board's engagement. Boardable Reporting allows you to view and download a variety of reports to quickly identify accomplishments and areas of improvement.

**GOAL TRACKING**

Track and measure the success of your organization's goals and board initiatives. Set benchmarks to keep your board informed and engaged on the progress of key performance metrics.

**POLLS + VOTING**

Polling helps you develop active, contributing board members. It highlights important decision-making items between and leading up to meetings, all without being pushy.
